“ *I am so sorry for your loss. Doris made a big impression on me as a student at Berryville. Doris was my favorite Cafeteria Lady. I still think about her, the tales on you guys and Mom (Donna Phillips) when you were growing up. Mom is now a Cafeteria Lady, and her tales will keep Doris forever in my heart.
You will all be in my prayers*

“ Sorry to hear about your loss. I thought a lot of your mother while growing up in the Dry Fork community. She was a great lady and I could always depend on her if I needed anything while at school. All I had to do was go to the cafeteria and see her or Christene and they would do anything I needed!! (those were good days) I am sorry that we will be not be able to attend the visitation or services. My son has just begun his baseball season and he has games already scheduled. Your family will be in our thoughts and prayers. And Jones Mountain will always be in our memories!!
