“ My heart and prayers go out to you. I will always cherish the years Doris Ann and I had as young girls. We shared so much together. I only wish we could turn the clock back. Spending the night with her was so much fun, I got to shave my legs. Joyce almost threw us out the windshield when learning to drive. There are so many good memories. Doris Ann will be in my heart forever.

“ It is hard to believe Doris Ann is gone. I have so many wonderful memories with her when I was growing up. She was one of the older girls that I looked up too and I loved going up to her house. I can remember going up to play in the playroom when Dorsey and Lois's house was a two story. We had the best times up there. Then when I was older, she gave me perms. One time she was giving me a perm and it was so strong that both of us almost passed out and we had to run out in the yard a fanning. I can yet see Doris Ann a fanning and taking on about that perm and then we got so tickled that we laughed and laughed. She loved to laugh and always had so much energy. I know all of you are going to really miss her. My thoughts and prayers go to each one of you, Lois, Joyce, Sharon, her husband, son, and grandchildren and the extended family. May the Lord comfort your hearts as only He can.

“ Bob, Jeff, Dylan and Mason...Doris was a wonderful fun person! She was my mom's best friend. They had such a great time together. Doris was always laughing and being silly, it was one of her greatest qualities, no matter what the situation, she always had a smile for those she loved. My mom had an amazing day with her on Friday and it will be a gift she will always remember. She told me how proud she was of her grandsons not long ago...she said " you will be surprised what we Nana's will do for our boys!". Your family is in our prayers and will always be in our hearts, along with Doris.
