“ My family and I would like to express our deepest sympathy over the loss of Doris.
May you find comfort in your loving memories and the warmth of family and friends. I love the beautiful promise at Revelation 21:4 when death and pain will be gone forever after God restores his original purpose for the earth. We will even see our loved ones again who we have lost in death (John 5:28 & 29). It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with your loss.

“ My sympathy goes out to Doris's family. I had not seen her since high school. I did talk to her occasionally in the last few years. I will always have memories of our high school years together.
