“ *We sat by Dwight and his wife at FHS football games. Never saw him without a huge smile on his face, his love for his daughters and grandchildren was evident, as you could see the joy they brought to his life. Sorry for you loss but rest assured your Dad is looking down on you all and you are still his pride and joy*

“ Sweethearts, I'm so sorry . If there's one thing I've thought, ever since we heard he had this horrible disease, it was that he was surrounded with love in all his days. That's such a wonderful Thing that so many aren't blessed to get. I know it has been horrific watching him fade away but none of us will remember him that way. he was such a strong life force (ALWAYS smiling) and that's what we will remember. All you girls will be in my prayers, but especial little Val, (to me) who not only loved him all these years, but grew up with him as well. A great love story. I don't know what to say except that we love you. Always have and always will. God bless the little ones too. Bev and Dwaine, I love you more than you can imagine. I wish I could be there. May God wrap his loving arms around you all and give you strength to live the coming days and months without him. Love you all and will be praying for you. Sincerely mean that. Carol.
