“ We did not know Elizabeth , but we regret your loss and sorrow. My wife and I have lost sons about her age and we want you to know that you can endure this pain as you go through the "valley of the shadow of death." We found great comfort in our Christian faith even though we struggled with the pain and loss. We found that each person grieves in a unique way and time, so we encourage you to recognize that in your family. As time passes you will be able to recall times of happiness with your Elizabeth that will help you deal with the loss. I hope that friends will share with you their memories of good times with her.
