“ My dear friend , Ron and I are so very sorry . You and Eric were so blessed to have such an amazing mom. Throughout her years at the hospital she always made time to say hello and give you a pep talk if one was needed . Your mom was an Angel while she was here ,but now she is an Angel in Heaven . Our prayers are with you and your family. Our moms are the ones that know us better than anyone and I'm sure she's right there besides you now saying "stop crying , I'm fine ! " So very sorry Pam.....
