

## Eloise Faur

July 26, 1941 - March 18, 2026

Eloise Faddis Faur, 84, of Fayetteville, Arkansas passed away on Wednesday, March 18, 2026, at her home. She was born July 26, 1941, at her grandparents' house at Wharton Creek, Arkansas. Her parents were Doyle and Wilma Steele Faddis.

Eloise graduated from the University of Arkansas with a bachelor's degree and earned her M.Ed. from the University of Arkansas as well. Eloise also attended the Università per Stranieri di Perugia in Perugia, Italy. Eloise was a teacher for 42 years, with most of that time spent at Farmington Elementary, where she taught special education.

Eloise was a natural polymath, and she always valued education and tenacity. Her interests were wide-ranging, and she loved relishing the details of those interests. Eloise read every Agatha Christie book ever written, could recite recipes from memory, and she was fascinated by modern royalty. Eloise loved beautiful things, and she loved flea markets and antiques, which made her home a joy to explore. More than anything else, Eloise loved and adored her family. She was tireless in defending, providing for, caring for, and advocating for her family. Eloise was defined by her dignity, strength, and grace.

Eloise was preceded in death by her parents, her infant brother, Joe Thomas, and her sister, Harriet Wells. She is survived by her husband, Saleh; her son,

Burke Fanari of the home, her son, Amjad of Olympia, Washington; two sisters, Jan Roberts and Shelley Steele, both of Fayetteville; and many nieces and nephews.

There will be a Celebration of Life at a later date, and she will be interred in Huntsville Cemetery. The family would like to extend a special thanks to the care givers of Good Shepherd as well as the doctors, nurses, and staff of Washington Regional.

“ Thinking of you Saleh, Burke and Amjad, and our dear Eloise. She has always been caring and thoughtful and was such a wonderful hostess (remembering the many White Elephant gatherings). In 1963 or '64, Jan and I spent the weekend with Eloise in Eureka Springs where she was teaching. She had turned a basement apartment in one of the unique Eureka homes into a lovely haven with her sense of style. She gave us a great tour of Eureka. One of many great memories.
