“ I have know Faye practically my whole life. Going to church with her as I was growing up and as an adult I have constantly looked to her as an example of what a true Christlike woman should be. When my husband and I got married, she made a beautiful afghan for us that we will always treasure. I will forever be grateful for the impact she has had on my life.

“ I have great memories of building fence, hauling hay, milking cows of gatherings held at her house. The great unselfish lady who would let you drive her car or truck and who would take you anywhere if you asked her to.

“ Faye was a joy to have as a friend, she never said a cross word to anyone, a blessing to all who knew her. She was such a kind lady.
