“ I am a niece of Aunt Louise. She was my Aunt for 54 years. She was a good, kind and loving Aunt. I got to view the Celebration of Life service online. I have many happy, fond memories of her. Her and my Uncle Fred, cousins Tammy and Fred used to come to KC area to visit Dad, Mom and me through the years. It was always nice times. Aunt Louise loved to go shopping at a few places in town. She loved to buy gifts for family , friends and coworkers. She did make us Afghans and other items. She was a loving Aunt and I will miss her so very much❤️. Much love to Tammy and Jim, Fred & Andrea, Katherine and Caleb and the rest of our Family

“ We are going to miss Mrs. Louise. She was such a kind, caring friend. We have been going to church together for the last 3 - 4 years. These last 2 years we had gotten to visit more. My family and I helped her this summer with going to the doctors a couple times. I also enjoyed going with her to Braums. She will be deeply missed. My sincerest condolences to her daughter, son, daughter in law and son in law and grandchildren. Her face lit up every time she mentioned your names. Love you Mrs. Louise. May You Rest In Peace...although our hearts are heavy we know you are with our Heavenly Father and no longer in pain.

I met Louise by waiting on her at Cracker Barrel, she was my favorite and was always brining me some pot holders she crocheted I have many from different Holidays and will always treasure them, sometimes she would see something in the gift shop and I would use my discount so she could get it at a price. Love this lady and feel blessed to have met her and call her a friend.
