“ Oteeka, you have lost your precious mother, I have lost my friend, and my husband--Donnell--has lost his best dancing partner. He said she was light on her feet and followed her partner without missing a beat. My heart is with you, Aiden, Phil, and the others. Freeda and I shared a common thread of her cousin, Jean, who was my sister-in-law. It became a three-way mutual admiration society. Now I have neither's hands to hold, but I will forever hold the two in my heart!  
I most sincerely offer you help and comfort at any time you may find you need it
