“ Fern, Debbie and Jimmy, We grieve with you for the loss of a wonderful sister, mother and friend. She was a strong and very compassionate lady, and we will meet her some day with your Dad in Heaven, well and alive. I still have the cake place she gave us for our wedding, and think of her every time I use it.

“ Jimmy and Debbie, I was sad to hear that your mom has passed away. She is in a better place where there is no more pain or suffering but I know it still hurts to let go. She loved you both very much. I don't remember a time that I talked to her when she did not mention you kids. You meant so much to her. I will keep you in my prayers as you go through this time of grief.

Love you, Marie

“ Fern, I just want you to know that I am thinking about you. I know you and Freelen were very close and I know it must be hard to lose a sister. I saw a little picture the other day of a school group of children and you and Freelen were in it. I spotted both of you right off. I know you had alot of happy times together and hope those memories will help you in the days ahead.  
Love and prayers, Marie
