“ *Uncle Gary you were a funny man and I will always remember you being that way. Sad to see you have passed at such a young age. I am also shocked to see my father has passed away too. The same day three years apart.... I was looking once again to find some peace in my heart with him but I guess I waited too long. I hope you too are together with the rest of my biological family seems to all be in heaven now. So heartbreaking. Tojer...T Love always Tonya Lourinia Johnson.*

“ *I wish to offer my sincerest condolences. I worked with Gary and Jimmy through the early 90's and even though we've lost touch over the years, I have fond memories of the years we knew each other and considered both as friends. Gary was always upbeat and laughing. My heart is heavy for the Johnson family during this shocking time.*

“ Gary was my cousin I enjoyed talking to him and his laugh just put a smile on my face. Gary would always try to help anyone out if he could that was in his blood line. I just pray for protection for the family and peace and hope some day we can all find a way to understand this criminal act. Gary was a special person would never hurt anyone. Love and Prayers to all.

“ Breaks my heart that this has happened. We have only known you for 2 months but you made us feel like we had known each other forever. I could tell you were just a good ole' country boy with a big heart & willing to help anyone. We just seen you on the 23rd, you patted Josh on the back & said "We just met not too long ago but I already consider you a very good friend" Rest in peace Gary, you will be dearly missed.
