“ Gayla was a very wonderful person. Gayla was a great listener who genuinely cared for her friends. I had the pleasure to of worked with Gayla for almost 8 years at Wal-Mart. She had many many customers who would only use her line and knew her days off. In spite of her physical disabilities, Gayla could out scan 20 year olds and every sack would be stacked perfectly. I'd load her wheel chair for her many times, as she left, and we'd have the most wonderful laughs. She will be missed and can not be replaced. She is pain free now and in a much better place.

“ Ms. Gayla was such a sweet, wonderful woman to work with. She always an easy person to talk to and I always knew that my secrets were safe with her. I confided in her many times. She was not only a great coworker but she was a good friend. She will be missed greatly. RIP Gayla. May you now run in the fields of heaven with our lord, God.
