Additionally, she leaves behind one great-grandchild, Alakai; a sister and brother-in-law, Claris and Fred Guthrie; a cousin, Brenda Gabbard; a brother-in-law, John Paul Davis; and a

sister-in-law, Alta Ogden.

“ I was in school with Georgia. We had Home Ec together and it was never dull because of her! Her obituary is beautifully written and very much described her. I happened to see her several years ago (she bought a washer from me & I delivered it to her ago). We hadn't seen each other over for 20 years, I ended up staying for hours. We'd just had a class reunion and she had missed it and was upset she had so she got out her yearbooks & I told her all about the reunion!! I had told her as I left if she needed a ride to the next I'd take her if she couldn't get a ride. Our next one will be next year sometime...I would have enjoyed taking her..
