“ *I had been thinking about Georgia and her family for the past couple of months. I always liked Georgia and her family.*

I had been separated from her company about 15 years ago when we joined a congregation that is much closer geographically to us. That didn't keep us from fondly remembering Georgia and her family.

She will be missed until we are rejoined (on that Last Great Day when we all stand before Jesus, God Almighty.)

“ *"Those we love don't go away
They walk beside us everyday
Unseen, unheard but always near
Still loved, still missed, and still so dear."*

Sorry for your loss.
