“ Rick, Jamie, and Families,

We wanted you all to know that Gerry always came to visit with us whether at the Crossbow, dance, or just out in town. We really enjoyed our visits and hearing how he came to live here. He loved Marlene so much. He said the first time he ever saw her, she was walking across the square. He said he told his brother that she was the prettiest girl he had ever seen, and he was going to marry her. We will miss him.
