“ My prayers are with the family at this time, May God give you comfort and peace. I didn't know Gleason very well, only seen him a few times but he always seemed nice. Kathryn I know what you are going through, I have been there and it won't be easy but with God on your side it will get better with time. I love you and you are always in my prayers. Take care and always remember you can see him again one day when Jesus calls us home.
