“Gwen was one of the highlights of my Mission for the Church of Jesus Christ of Latter-Day Saints. Gwen's food was straight from Heaven. This woman would light up any room she walked in. Her home was always filled with love. Her silly jokes kept me laughing for days! I know she is doing a very special work on the other side. What a blessing for me to know her in this life.

“ no amount of words can express my feelings at this moment. Gwen has been a part of my life as far as I can remember. She will be missed. I am not sure what coming home with out seeing her smiling face, hearing her infectious laugh, or having her come to Momma's will be like. Qwen as we called her was a joy to my family and will always be considered as one of us. You all are always an extension of our family and will always be in our hearts and prayers.
