“ I and my 2 brothers are Homer's great niece and nephews...Eddie Bolinger's first 3 children. We did not know of Homer's passing till now. I am hurt at the reading of his obituary. And my great grandfather, Russie, would have been upset to think we were not mentioned. I will always remember Homer when he would visit us in Witter, sometimes bringing lemons. He was sweet and never seemed to age. Russie (who loved me to no end, Ethel (who loved me before my birth) and Homer were shining stars forever in my heart.

“ I have memories of Homer from the time I was a little girl here in Illinois. He was always so gentle and so humble. We also had the privilege of seeing him in Mexico. He was a wonderful example.
