“ Hi Kimberly, I was so sorry to hear of Howard's passing. This is a great picture of him. He looks so much like his dad and mom.

“ Howard! Where do I start? One of the coolest, most unique, loyal people I've ever been blessed enough to meet and you quickly became one of my best friends and I'm going to miss hearing your laugh and seeing your smile and listening to your badass stereo system but I'm gonna miss your advice and hearing you say "right on" the most! Who's gonna give me unconventional and politically incorrect advice now? I loved your mind and out of the box solutions for every problem! RIP my friend and I will see you on the other side one day and we will catch up I promise! I love you Howard you were one of a kind!
