“ *Debbie: I love this picture of your Mom - it looks just the way I remember her and as I told you on Wednesday, I have so many wonderful memories of her and all of you when I stayed (lived) with you'll. Your mom was someone who always liked to laugh and she had a wonderful sense of humor. A wonderful lady who I admired and am so glad I had the opportunity to know. God's Blessings and Peace to all of you today and the days ahead. It was great to see all of you this week!*
Love you lots,
Rhenda

“ We were the best of penpals for a few years. I loved your letters!! To not be there on Wednesday is tearing me apart...nobody ever wants to say goodbye. Your great grandkids will always know who you were and what a great person you were...unfortunately our lives get to busy and we forget to remember what is most important...FAMILY. It's especially hard when we live miles apart. I wished my kids could of gotten to know you better and really know what kind of person you were. We will remember you each and everyday and know that you are in a better place. LOVE YOU!!!
