“ I had the privilege of going on a few house calls with Dr. Box and Roberta in the 1990's. I was always so impressed with his compassion and care of his patients. I have worked around lots of Doctors during my medical career of 30+ years and have never witnessed a better Physician than Dr. Box. I feel honored to have had the chance to learn from him at an early point in my healthcare career. My condolences to the family. I will be praying for God to wrap you all in comfort during this time.

“ Dear Box family, I am saddened and sorry for your personal loss as well as the loss to the larger community. Dr. Box will be missed by all those whose lives he touched (and they are many). Although his presence may no longer be earthly, he is legendary as a compassionate, knowledgeable, and skilled doctor whose contributions to the community will continue far longer than we can imagine-his ripple effect will always be paying forward in one way or another. My thoughts, sympathy, prayers, condolences, and love during this difficult time.

“ I enjoyed working with Dr. Box at Huntsville Memorial Hospital. He was a kind and caring physician. I also remember the many stories my Grandmother (Delores Sherman) told of her days working as his clinic nurse. I know there are many others who have fond memories or Dr. Box. He will be missed by the community.
