“ Dear Patsy, Thomas, Amber, and Family. We are so sorry for your untimely loss of Jack. Jack, Sumner, and David were three of my favorites. As I remember, I had all three of the boys in the same Chemistry class. They all three had very dry senses of humor. They were great students and wonderful respectful young gentlemen. I always enjoyed visiting with Jack at the car wash and out in front of Cindy's, Paws & Claws, and his title business. I recently visited with him about his purchasing of the real estate business and his renovation of the east retail store to add the real estate business to the title company. Of course, Patsy, you are one of my favorite girls. You were so sweet and such a good student. I told you once that you did not have to have much Steele in you to make you as "smart as a whip." I also enjoyed working with you in education. If I can do anything to help you, please let me know. I am thinking of you and praying for you and your family. Love, Fern.
