“ to the family, I send my prayers for each of you. I know you will miss Jackie. He was a fine man. There is one song that keeps going over in my mind, It's "March around the throne one time for me". That is what he is doing, he is at peace, no more pain, no more suffering, and he can march around the throne of God. It will be but a short time until all will be reunited in Heaven. May the Lord give you peace and strength during this time. Remember all the good times, the memories.
