“ Jack and Wanda were my "other parents". I spent most of my childhood between my house and their's. Sarah is still my best friend 26 years later. I love this family with all my heart, and my heart is broken with Jack's passing. I love you so much, Wanda and Sarah. You are always in my heart. Jack, I love you, too, and will miss you dearly. Much Love.

“ Wanda and family, I am Stephanie's sister and if I could be with you I would. Many times Ron and Jack would come to our home in Combs and hunt or do some work for us. We always enjoyed him and could see and feel his goodness.

If we could see each other you would recognize both Bill and myself. We have missed St Paul and Combs, it is like being out of AR. her in Fay.

Please know you and your family are being prayed for and thought of. Our love goes to you and if you need someone, please call. Step doesn't know what she would have done without you and Jack for neighbors and friends. I appreciate that for her. and took a load off of my worry for her.

*Blessings to you,
Becky and Bill Jackson*

“ *Jack is one of the best friends that I ever had. In the 41 years we were friends i have some of the greatest memories of all the fun we had as young boys growing up hunting and fishing together.
