“ I wanted to share the story that made me love Jacob. When he was in 3rd grade, I had a student who was severely autistic and wouldn't interact with anyone. Everyday at recess, for 3 years, Jake would go and talk to this child and try to get the boy to join him and his friends. Kenny and Stephanie, I wanted you to know that you raised a caring young man, and I thank you for sharing him with all of us. My prayers are with all of you.
