“ Christy and family,

Am so sad to hear of the passing of your mom. Jackie was a mentor to me, many years ago, as I was a young, dumb kid, starting out in the work world, of Taco John's. She was in charge of the night shift, 31 plus years ago. She also worked was in charge on Sundays, during the day. We cut, sliced, and grated many buckets of cheese in those early am hours on Sundays, and had some great talks doing that. Jackie was always kind to me, and I considered her like a mom, but a good friend too. Remember back about 17 yrs. ago, when she told me she was moving to be closer to Christy and family. Was very sad to know she was leaving Taco John's, let alone Marshalltown. Jackie always kept in touch with me through the years, and even saw me on more than several occasions, when she would come back to visit. Was always so nice to hear her deep, but friendly voice. I have many happy thoughts of Jackie, that I'll hold dear in my heart forever. Am glad our lives crossed, and that we knew each other! May you rest in peace dear Jackie!
