“ *My Dad lived a full life. He told me that and he was ready to go. He loved football and fried chicken. My fondest memory was camping out at the lake. He loved to water-ski and have Mom drive the boat and fish. He was a devoted husband and loved to move. Maybe he just loved to explore new paths. Dad was an extremely hard worker and a "good man." I love you Dad and hope to see you in Heaven!* ”

“ *Dave and family, So very sorry to hear of your loss. I wasn't aware of this until I saw the paper this week. I still remember your dad smiling and grinning at the tire shop whenever I needed help with a tire(every other week) and doubt there is anyone around now that would store my studded tires for me all summer (do they still sell studded tires? lol). Y'all were great and he is going to be missed by many. Wishing you comfort..I know it's been a rough past year for you all. Geri Sizemore Browder* ”
