“ My thoughts and prayers are with you and your family at this time. I will always remember Diann singing at my Dad's service; what a wonderful voice. Beatrice came and I told her how much I appreciated her being there, and she replied "well you are family and he was your Daddy". What a wonderful family. May God Bless.

“ *We are very sorry to hear of your loss. I worked with James in the early 1970s, both in the hayfields and log woods. He was one of hardest working people I have ever known. One of my proudest moments as a 17-year-old was being able to say I hung with James for three days straight in the hayfields. He was one fine man and he will be missed.*

He told me he knew my brother Roger that had passed and gave me comforting words about him. I wish I could comfort you guys now the way James did me that day. I truly believe Jesus went away to prepare a place for us and I do believe that He has already received my brother and now James there. May this thought comfort you and the family until we can be with them again. As God promised.*

“Grandpa” Hargis as he was known at West Siloam Speedway. A good man and will be dearly missed. James, his son Mike and grandson Chandler made my job at WSS a lot of fun. How many another announcers. Can say they have called feature wins for three different generations of racers. Not many I would say. I am very proud that I have got to do something like that. Especially for such a fine family. Im sure going to miss that blue and yellow 23H sr. People like the Hargis family is why I stay involved with racing. They make it FUN!

“ It is with great sadness that I pay tribute to this wonderful man. There are no words to describe the sadness we feel. He was a man full of joy, happiness, understanding and love for his fellow man. He was a true racecar driver, never caring where he finished as long as he finished. He loved his family and was so proud of Mike and Chandler and their success in a racecar. There was never a night I didnt see him smile. He was a friend to many, and he will be missed more than I think any of us really understand. Diann he loved you so, you were so much a part of him and he of you. This is not goodbye, it is only so long till we see each other again. Our tears so manyreflect the love and sadnesss shared by so many. The days ahead will be hard but as we celebrate the life of this unique individual let me just say.... Know that you will see him again, hold on to what is true, love the Lord with all your heart and he will see you through.... Celebrate!!! Celebrate!!!! The light that in my heart is James Hargis!!!!!!

<http://www.youtube.com/watch?v=mMAYD97aAUM>

Rest in Peace James Hargis... we will miss you for only a short time!!!! Save a place for us at that big racetrack in the sky!!!!
