“ *James and I were both beneficeries of a great Ag teacher and Agri Department at Huntsville. I remember traveling together to the National FFA Convention on the Kansas City Southern train from Siloam Springs. I grew up at Hindsville and remember his father as well.*

I want to express my sympathy especially to the ones who were in school the same time as I was 1946-50.

“ Grandpa Bill was a very special man. He was a hard worker and an awesome story teller. But most importantly, he loved his family. Although I am not a blood relative, grandpa always made me feel as if I were one of his own grandchildren. That meant a lot to me, especially since my grandparents have been deceased for quite some time now. I know that grandpa has gone on to a much better place, and I have peace in knowing that.

To the family, I am praying for all of you. At this difficult time, look to the Lord for peace, strength, and comfort. God bless you. Crystal Yates
