“ Dear Family,
I cannot imagine all the pain your family is going through. So much has happened in your family and I am so very sorry for your heartache.

My memories of James is that he would always call me "Little One" and that he and Carol would come and visit us and he would start about an hour and a half BEFORE he wanted to leave...getting Carol ready to go. They were definitely a match made in Heaven. He was such a wonderful man and I will miss him greatly.

He and Carol were always there for me and my family. They were loved by everyone who came in contact with them. I can't believe they are now in Heaven, but they are together, which is how they would have wanted it.

My thoughts and Love goes out to your family. James and Carol will be greatly missed!

Much love and prayers,
Shelia and Zoe Napier
