“ I'm so sorry about the loss of your baby. I didn't know at first which one of Wilma's great-grandbabies people were talking about or I would have contacted you sooner. I know how excited you were about the baby so I know how hard it must be. I had miscarriages but never a stillborn. Let me know if you need anything.

“ Our hearts ache with you. There are no words right now that will comfort you but be assured that as time passes the burden of grief will decrease and be more bearable. May the Lord be with you as you process your loss and learn to lean on those around you that love and support you. God Bless and keep you in his loving arms as you bear the burden of your loss. Love you so much, Connie and Loy Sr
