“ Kyle; I can only imagine what you are going through. I think back to when I lost my Dad, and, through all the sorrow, I remembered all the good times and the influence he had on me, and all the life lessons I learned.

You always had a smile to give me when I didn't have one of my own, and you were always a pleasure to work with. I'm sure you learned that from him. Continue being that living legacy. Peace be with you.
