“ *Dear Napolitano's, I was so saddened to hear about Jesse passing away. My heart goes out to all of you. I really liked when you all moved down on the corner and got to see the kids out there swimming and watching all your animals. I really appreciated Jesse taking the time to help me with my hurt chicken. He seemed like a great farmer and father and I'm sure you will all miss him so much. My thoughts and prayers are with you.
