“ Pa,

what would i do to see you again..... a lot of things for one. my favoritest memory of you is when you were playing with Katlyn and I when we were little and when you told your little jokes.... i know i wasn't as close to you as the boys was, but you were still the Pa i knew and loved. i'll see you some day Pa i'll meet you at the gates of Heaven i know you're already there just wait we will see you soon. we all look forward to the day we go and see our father but you being there makes it even more worth going. Pa i love you and i'll never forget you or your silly ways
