“ Wayne and my mother were first cousins, so JoAnn was always helpful with our Loghry genealogy...a passion we shared! I just happened to come across her obituary while working on genealogy this evening. I had the opportunity to meet her at my aunt's house Easter 2003. My condolences to her loved ones

“ Dear Family
Joann always had a warm smile and a laugh that was heartfelt. I will miss my Sister that always had a little sunshine to give and a big sisters love. I know you are with God and many that have been waiting for you with loving arms. I will miss our long talks as I drive home. I love you

“ My sympathy to JoAnn's family. JoAnnn and I
had genealogy of the Loghry family in
common and we used to communicate
regularly. I enjoyed the opportunity to meet
her in person at Loghry reunions in Iowa.
