“ I was so sorry to hear of Johnny's passing when I got home tonight. Your family will be in our prayers for this fine individual. Johnny and I have worked the worked the War Eagle voting precinct for several years. We passed the time talking about cattle, hunting and his football days at Huntsville, all which he loved. Another strong belief of Johnny's was a paper ballot! Hope they don't have those computers in heaven! It was an honor to have know him.
