“ Jona was my first cousin. We grew up together and shared many special memories . I always looked up to her when we were young . I admired everything she had accomplished in school. She was a cheerleader, Home coming queen, most popular, etc. She played sports and had a lot of friends in school. She had the perfect life growing up. As adults we were always so busy we hardly saw each other but I always kept her close in my heart and always will. I miss my favorite cousin who's candle burned out way to soon.
