“*Juanita had a heart of gold, a soul of silver, and the beauty of a thousand jewels-a true treasure that God loaned us here on earth. He has claimed her back and now she radiates in His Kingdom, rejoicing and pain-free. She touched many lives and lives on through us. Thompson family, I am sorry and sad that she is no longer with us but find comfort in knowing that she brought Glory to Him while here. She was an encouragement and blessing. May you continue to find strength, courage, comfort, and hope in His presence and promise. Prayers, sympathy, condolences, and love to all.*
