“ I was shocked to see in the newspaper that Karen has passed on. She was such a sweetheart and a friend to many. We met when she had the store on the square, and we had many a long talk there. She always treated people right... I'll truly miss her... My sympathy goes out to her family, who I know truly can't believe that she has gone so early in life.

“ Blessings to Karen and Kenny and their whole family. I wish there was something I could do or say and take your pain and sadness away. I have so much regret for not grabbing Steve and spending more time with you guys. We love you guys with all our hearts. We just turned into hermits. If there is anything we can help you with or do for you that we're capable of please let us know. Much love, Shannon and Steve
