“ *Dewey and Lynette,
We are so sorry about Karen and sorry she had to suffer so at such a young age. I do not understand, but I do know God is in control and may He draw you to Himself during this most difficult time.

“ *Dewey & Lynette~
My heart goes out to you and your family during this very difficult time. Karen meant so much to me & we became such great friends during our time at McDonald Eye Associates together. She was such a wonderful person and was so much fun to be around. I think about her often. I have held on to an old ruler I took from her before her move to Georgia. It is in my desk drawer at work. I think about her everytime I pull it out to use it.*

I am so sorry I couldn't be there today. However, please know you are in my thoughts and prayers, and that Karen is in a better place now.

“ *We are so sorry about the loss of Karen. I (Mary) was thinking about a time when Karen about 11 or 12 and was helping me at Bible school. I was about to have Travis and Karen said, "You're having these kids awful close together, don't you think?" We have laughed about that for years. She was such a spunky person!*

“ Doug,
Our family is thinking of you and the kids. My heart has been so heavy since I heard that Karen lost her battle with cancer. Yet, I know she is in Heaven and without pain and for this I am thankful. I only got to see you guys at the Christmas gatherings, but my impressions of Karen were of a loving, happy wife and mother. She always had a smile on her face!
We are sending love and prayers your way,

“ While she will be missed, Karen is no longer suffering from the pain she endured. She's with God, and we are certain she's one of the most beautiful of all the angels in Heaven.

Our prayers are with each of you, and we pray that God will comfort you and give you strength.
