“We wish to express our deepest sympathy for your loss. Karl was such a kind hearted soft spoken man that could fix anything and knew the meaning of a hard days work. He had a twinkle in his eye that could be seen along with his smerky grin. I know he will be missed by his family and friends. Many people could learn a thing or two by just watching Karl work, his hand shake was just as good (if not better than) a written contract for sure. May he rest in peace and may the Lord bring a comfort to all of his loved ones broken hearts today.
