“ My thoughts & prayers are with each of you. Only god can heal your heavy heart when those we love pass away, but may you know that others share in your sorrow too. I have fond memories of the times when we visited w/aunt Pearl & family; Kathleen, my sister Janet & I would go out into the woods to make playhouses on one of the big rocks. We always enjoyed our visits with them. She was a special cousin.

“ Sorry to hear of Kathleen's passing but believe the last several months had been very difficult.

Though I didn't/don't know my cousins on that side of the family well, I felt very much welcomed when I visited with my Dad. I know how much he appreciated speaking with Kathleen on the phone periodically to catch up with family and all the goings-on in the area.

My wife and I send our condolences along with our thoughts and prayers to Norris and the rest of the family.
