“ To Katy's Family: I am truly sorry for the loss of your beloved mother. Although it has been some years, I loss my mother much too early in life just when I was getting beyond the awkward teen years and begining to appreciate the wisdom of my mother, she was taken away from me in death. I felt like one lost soul without my mother, like a piece of driftwood washed up on a beach, truly alone....Until I learned that the Holy Bible holds out a hope....A truly wonderful hope of seeing our loved ones again, alive, here on earth, in perfect health! ... It true!.... During the life and ministry of Jesus Christ he brought people back from the dead! Jesus resurrected them back to earth, to be with their families who love them and missed them and needed them. You can read of the resurrection of Lazarus at John chapter 11, Jesus raised him back to life on earth. These accounts recorded in the Holy Bible were put the to give us hope and to let us know that Jesus Christ has authority over death (Matthew 28:18)..... So take heart, all is not lost, you can see your mother again in the near future..... Please cut, paste and watch the comforting video: "Why Did Jesus Die?"
