“ I just heard about this today - and am so incredibly sad. To the family, I offer my heartfelt sympathies. I don't know if you remember, Kevin and I dated in High School and then lost connection until about 5 years ago. I visited him in Catoosa and he visited me in Milwaukee. I loved our conversations. Kevin was so intelligent and intellectual. I still miss him terribly. I wished him a Happy Birthday last month. I got a response from him that I will always cherish. I responded but never heard back. His death is a huge loss to this world.
