“ I was saddened the day I found out about your passing. You were a great man and would give the shirt off your back to anyone in need. I can see you now playing your guitar around for as many Angel's as God can spare for a time. You always had so many friends, I'm glad to say that we had the time to love each other for a time. I wish we had more time before I had came back to Georgia * but rest assured that you were very much loved. I'm so jealous because you are having a glorious day each and every day with our Savior Jesus Christ 🕊️🌟😊❤️🙏 may your family have peace and harmony with your passing. The Lord will bring y'all back together again one day. Rest in Peace Kevin.
