“ *What a special person Ruth was. She always seemed so full of energy and nothing seemed to ever get her down. She had a good attitude toward people and life in general.*

“ *Ruth was a very special person. She enjoyed people and people enjoyed her. She and I went down "Memory Lane" each time we had a chance to talk. She loved to joke and have fun, but she always mentioned her Lord before you left her. She did many many things to help others. She is now with the one she loved and talked about most.*

May God Bless each of you.

“ It is with sincere condolences that I send this. In thinking of Ruth, I remember from Pr 31 "strength and honor are her clothing", "her children arise up, and call her blessed" "a woman that feareth the Lord, she shall be praised. Give her of the fruit of her hands, and let her own works praise her in the gates" She had a lot of children she took care of when she worked in the hospital. She was a blessed woman, always helping others, doing something for others. Let her works be her testimony to others she leaves behind. For we all can arise up and call her blessed. May the Lord bless and keep each of you. Follow her example, trust and believe in the Lord and His promises as she did. My life was richer for knowing Ruth, earths loss is Heavens gain

“ To all Kitty Ruth's family,
Kitty will be sorely missed by all who knew and loved her. She was one of the sweetest persons I have ever known. We will all miss her greatly, but know she is in a much better place with Jesus, and will not suffer anymore.
My thoughts & prayers are with you all.

“ I have never and probably will never know anyone as beautiful and Christ-like as Kitty Ruth. She was one of the first people I called when our daughter was diagnosed with cancer. I will never forget her laugh or her love for others.

“ Our hearts are deeply saddened to hear about Sister Kitty Ruth. She was a very special and precious lady. When we went to Huntsville First Assembly, she would always make a point to come over to where we were every Sunday and gave us a hug and a big smile and would always joke around with us. She was so precious to us and the world will not be the same with out her. We are so blessed to have known her.
