“ Landon was an amazing friend. I will never forget the summer we met at Green Valley the moments we made doing the things we loved. Landon had so much hype and was always there for me and others. He might not be at camp in a couple of months, but I know he's living the life in paradise. I pray for all of Landon's family and others who were surrounded with his love.

“ Our 7 year old was your neighbor when you passed. She loved walking the hallway to look at your pictures. The candy was her motivation to walk and get well quickly. While we never got to meet, we feel like we did know you through your pictures. We pray for your family, friends, neighbors, care givers. May God hold them in His arms.

“ Landon, I had the pleasure of caring for you early on in your battle. Our time was very brief but I'll always remember your smile and your positive spirit. I've thought of you every day since we met. Your time here was far too short. Love to the Born Family.
