“ Lanny was my first cousin on my mom's side. I loved this family. Prayers go out to the family and I pray your memories are sweet. I miss Uncle Ralph (Doc), Aunt Dorothy, Sue and Lanny. They use to come visit us fairly often when they lived in Texas. When Sue married, she and her husband and the little boys would come. When they moved to Arkansas, we lost contact for a while with Lanny and everyone else. However, family is forever and they all were loved by the Dunn bunch. Love forever my kind cousin. May your light shine through your children and grandchildren. See you in heaven.
