“ Our deepest condolences to the family of Linda. We had met Linda prior to her marriage to Johnny through a mutual friend. She was very sweet. We knew Johnny through other family friends and he worked on our cars (we didn't buy a used a car without having Johnny look at it first 😊). After they married and were moving to John's uncles place in Sonora/Hindsville area we bought Linda's house. Linda was a good woman. May she rest in the loving arms of our Lord Jesus. And may her family take comfort in knowing she is in a beautiful home surrounded by all that love her. And they will see her again 🙏❤️

“ Love you Linda. We had fun with the family and as friends.it's so hard to believe we have lost so many family members so quickly. I still make the potato receipt you gave me. My family calls them Linda's potatoes. I'm glad your not suffering anymore.
